

SLY Tables

- SLY is a freestanding twin-beams table program with conical leg design.
- The conical legs are drawn from Dia. 50mm steel tube with powder coating or chrome finish.
- 30mm x 40mm steel cross beams are connected to conical legs with die-cast connectors in powder coating finish.
- Tables can be fitted with Dia. 100mm ABS glides (in white or black) or 75mm lockable wheels.

SLY rectangular tables are available in 6 standard widths (1000mm, 1200mm, 1400mm, 1500mm, 1600mm and 1800mm) and 3 standard depths (600mm, 700mm and 800mm).

- Modesty panel can be added as options.
- Worksurfaces are 25mm thick in melamine, laminate or veneer (available in a range of finishes).

SLY L-shape tables are available in 3 standard widths (1500mm, 1600mm and 1800mm) and 2 standard depths (600mm and 800mm).

- L-shaped tables are offered with 3 leg frames or 2 leg frames with floor-supporting pedestal.

SLY Bench tables are available in 5 standard configurations (2-men, 4-men, 6-men, 8-men and 10-men) in 5 standard individual workstation widths (1000mm, 1200mm, 1400mm, 1600mm and 1800mm) and 3 standard depths (1230mm, 1430mm and 1630mm). CK8 Lateral Filing Cabinets

- To offer maximum flexibility to suit individual or team requirements, SLY bench table configurations are equipped with recessed middle legs.
- Worksurfaces are equipped with W300mm standard flip tops for easy access to cable baskets that are fitted under desktops
- EN3 Desktop screens in glass, aluminum tool rails, and tackable fabric are available to provide spatial separation with different degree of privacy.
- Half-Bench is also available in 3 standard depths (630mm, 730mm and 830mm) with hanging EN3 screens.

SLY Conference tables are available in 4 standard widths (2400mm, 3200mm, 4000mm and 4800mm) and a standard depth of 1200mm in rectangular or barrel shape.

- Central spine with access to cable trays under worktops integrates elegance with functionality for business meetings.
- SLY tables with lockable wheels in 720mm height are designed to provide mobile impromptu meeting points.

SLY Executive tables are available in 3 standard width (1800mm, 2000mm and 2400mm) and 3 standard depths (800mm, 900mm and 1000mm).

- Worktops available in veneer, glass, laminate and melamine with matching modesty panels as an option.
- Pedestals and return cabinets are available to complement the freestanding table to form a functional solution.
- Available in standard rectangular frame or 45 degree leg frame with wing extensions.

Performance

- SLY table system has been tested and proved to comply and exceed the requirements of ANSI / BIFMA X5.5 on structural performance and X7.1 on low emission.
- SLY tables are GECA-approved.
- SLY tables can contribute to LEED certification.
