A HermanMiller Company

**Better Design • Better Environment**

**85% Recyclability**  
With future recyclability firmly in mind during the design stage,  
we use homogeneous materials as much as possible.

**CX | CITIMAX chair**  
Features

With clean lines and appealing shape, CX meets the aesthetics preference and functional requirements of designers, ergonomists and users

Two styles of back design: mesh back and with leather or fabric upholstery back

Angle-adjustable headrest to support neck and shoulder muscle in extreme reclined sitting position

Advanced Synchron-tilt mechanism with tension adjustment

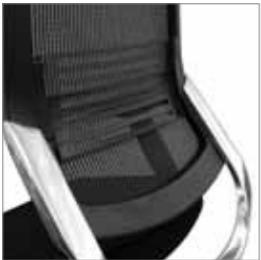

A wide range of tilt tension intensity can be adjusted to suit different body weights

**CX | CITIMAX chair**  
Features

Two style of armrest for height adjustment: Aluminum frame armrest & Standard armrest

Optional adjustable lumbar support for mesh back model

Seat depth adjustment with seat slider mechanism to suit users of different heights

Two styles of 5-star base: polished aluminum base

Nylon base
